1<sup>st</sup> to 5<sup>th</sup> placed horses in ECAHO classes are qualified to compete at the so called "Title Shows" (Middle East Championships, European Championships, All Nations Cup and World Championships)

## Scoring System.

### **1. Methods of judging the classes**

Judges judge each class independently from one another and without catalogue according to the following criteria: type, head and neck, body and topline, legs, movement, based on the 20-points-system. The points awarded by the judges will be added and divided by the number of judges.

### **2. Rule for ties**

In the event of a tie the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points in movement. Failing a decision on either of these, one judge, chosen by ballot, will name his preference.

### **3. Championships**

Championships are not given according to the results achieved in the preceding classes. All Championships will be judged independently and comparatively.

#### **Methods and rules for judging Championships**

Championships will be judged comparatively as follows:

- First-placed horses will line up in order of age from their right (youngest on the right) with second-placed horses lined up behind them in the same order.
- Judges will examine all first-placed horses, individually standing and trotting. The judges must not confer.
- The champion is selected from the horses in the front rank by individual written votes from each judge. The best placed horse will be champion (see championship form). In the event of a tie, the horse that received the highest number of points in its class will be declared champion. In the event of a further tie, the "Rules for Ties in Qualifying Places" will apply.
- When the champion has been selected the reserve will be selected in the same way from the other first-placed horses, together with the horse placed second to the champion.

There is also a requirement for a third placed champion to be nominated after the Champion and Reserve have been chosen. This third placed champion will not be announced officially, but it will become Reserve Champion in the event of the disqualification of the Champion or Reserve Champion. If the third placed champion is not apparent from the voting papers, the judges will be asked to nominate one. In the event that both the Champion and the Reserve Champions are disqualified, no further substitution will be made, apart from the third placed champion moving up to be Champion.

e) In order to maintain suspense among the spectators all the second-placed horses may be walked and trotted, but only the horse placed second to the champion will be considered.

f) The judges' votes will be available at the show office immediately after the judging has finished.

g) In the event of a horse placed first in its class being unable to take part in the championship, the horse placed second in the class will move forward and be judged with the other horses placed first. Should a horse placed first be sent out of the ring by the judges for any reason it will be deemed to have taken part in the championship and, therefore, the second placed horse will not be judged with the other first placed horses.

Substitutions for absent first-placed or second placed horses by third-placed or lower-ranked horses will not be permitted.

h) All horses that qualify for their respective championships must take part in the championship. Unless a veterinary certificate is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed below the disqualified horse will move up a place in the class but not be entitled to enter the championship.

### **4. Methods of judging the Non-ECAHO Classes**

Classes will be judged comparatively by a three judge system.

The Call Judge shall instruct the Ring Master prior to the start of the class on how he/she intends to run the class. The Call Judge will maintain order of the class through the Ring Master.

All horses entered in the class shall enter the ring, at a trot, one after another, in an anti-clockwise direction and upon completing their circuit line up along the rail and wait until all horses are in the ring.

Once all horses are in the ring, the horses will be walked collectively in an anti-clockwise circular direction using as much of the ring as is deemed necessary.

Whilst the horses are walking, and before beginning individual inspections, the Call Judge shall instruct the Ring Master to call all the exhibits in to a preliminary line up. All horses remain in the show ring.

Each horse will then be called forward for an individual inspection.

Once all entries have been individually judged, final evaluations will be made. Each judge will mark his / her card independently of the other judges.

The judge shall judge all horses equally and not drawn attention to any exhibit's faults.

# Al Khalediah First International Arabian Horse Show

If a horse appears lame, the Judge may indicate to the exhibitor, through the Ring Master, that he/she considers the horse to be going unevenly and thereby give the exhibitor a chance to withdraw from the class rather than be placed down the line.

The Judge shall be brisk and adapt him/herself to the time available.

The judge shall consider the interest of all the exhibitors, and the method of judging shall be consistent.

Any badly behaved horse or handler can and will be dismissed from the class.

Handlers can only present one horse in this class.

## Presentation of the horse

1. Concerning the **protection of horses and drug abuse**, the rules of ECAHO paragraphs 15, and 35 to 41 are fully applicable.

2. **Handlers** must be at least 16 years of age. They must be neatly and appropriately dressed. In the view of the prestigious nature of the competition, the Organiser reserves the right to refuse entry in to the ring of any person wearing unsuitable or casual clothing.

3. **Respect of Schedule** - The timing of the events will be available to exhibitors from the Organiser's office. The horses will be marshalled by stewards and be in the warm-up ring at least 20 minutes before the start of the event. To avoid any delay in the warm-up ring, each horse should have its own show halter.

4. **Sale Rules** - If a horse is sold between the qualifying classes and the Championships, the new owner will have to prove its purchase with an attestation of the sale signed by the former and the new owner.

## Veterinary Matters

### **1. Veterinary Inspection**

The veterinary inspection and the checking of passports and identification documents may commence on Wednesday 16<sup>th</sup> January 2008 at 10.00am.

### **2. Vaccination against equine influenza**

All horses must be up to date with their influenza vaccination. The confirmation of the vaccination history must be included in the horse passport and validated by the Organiser's Veterinarian.

### **EQUINE INFLUENZA VACCINATION, Veterinary Regulations, Annex VII**

All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against Equine Influenza, given between 21 and 92 days (i.e. 1 – 3 months) apart. For live vaccines, another schedule for the primary vaccination may apply. In addition, a booster vaccination must be administered within each succeeding 6 months, following the second injection of the primary course. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for Influenza vaccination. The primary course and subsequent booster vaccinations should have been given according to the manufacturer's instructions that will fall within the stipulation of the FEI ruling. If a horse is not competing in FEI competitions for an extended period, at least the manufacturers' recommendations for booster vaccinations should be followed.

### **3. Drug Testing**

All horses entering international events may be submitted to a drug test.

The exhibitor or his representative will be present to sign the necessary documents.

Any use of prohibited substances will be followed up by the SDC of ECAHO and dealt with according to the rules.

Catalogues will not be offered for sale more than one day before the commencement of the show. Show organisers who wish to make use of the press (e.g. a magazine or other publication) to print the catalogue may do so, provided that they have a written contract with the publisher which confirms that the part of the magazine containing details of competitors or their exhibits will not be put on sale or posted to magazine subscribers more than one day before the commencement of the show.
3. The organiser will pay any reasonable travelling and accommodation expenses for appointed judges.
4. A reserve judge will be appointed. His duty will be:

b) EAHSC "Rules for Affiliation of Shows" are binding on organisers and exhibitors.

#### Judges and Exhibitors

7. a) Any judge judging at an ECAHO affiliated show to agree in writing to abide by the ECAHO Rules for Conduct of Shows, in particular concerning judges and judging, and those governing conflicts of interest. He further agrees to judge with integrity and honesty and to carry out his judging duties solely with the objects of ECAHO in mind.  
b) Judges will not visit exhibitors' premises or accept exhibitors' hospitality or gifts immediately before or during the show concerned, or accept any other benefits that could bring into question the judge's integrity or honesty.  
c) Any judge is expected to exhibit the highest standard of ethics inside and outside the showring. He shall especially abstain from any act and, in particular, any public expression of opinion which may reflect on the dignity of his position.  
d) Any complaints about a judge have to be made in writing by two individuals within 3 days of the event in accordance with Rules for Disciplinary Committees § 21b). The complaint has to be supported by a fee (80,- CHF/50,- € or equivalent). The judge in question would then be given the opportunity of reply.  
e) It is in the powers of the Standing Disciplinary Committee (SDC) to investigate any incidents in accordance with Rules for Disciplinary Committees §24.
8. a) Judges will not knowingly judge horses concerning which there may be an actual or apparent conflict of interest. (**"category rule" deleted.**)  
b) Exhibitors have to declare any actual or apparent conflict or interest with any of the judges invited for the show on the entry form.  
c) Organisers will not accept any entries, which indicate any actual or apparent conflict of interest with one of the invited judges, unless (see 8d)

The appointment, duties, procedures and powers of Disciplinary Committees will be determined by EAHSC and published in "Rules for Disciplinary Committees (DC)".
14. Any organiser, official judge, steward or exhibitor of a horse entered at the show may lodge a complaint alleging infringement of these rules.
